H.A.R.P. (Honor Activities Reward Program)

Our H.A.R.P. program is an honor based activity derived to be fun for all our guests. Sportsman-like conduct and complete honesty in adhering to the rules and reporting scores for each event, are the key to this unique program being successful.

All guests working to be eligible for the HARP prizes, will receive **ONE** point per day for every day they participate in one or more HARP events. In other words, each player gets a **MAXIMUM of ONE point per day**, no matter how many HARP events they participate in.

For each 1/2 month period, there is a **MAXIMUM of TEN (10) points per activity** for winning a match. Thus, if a player is playing Ping Pong and wins 13 matches in one 1/2 month period for this one sport, they would only earn the MAXIMUM of 10 points for Ping Pong only.

WATER VOLLEYBALLS rules:

Teams can be 4, 5 or 6 players each

At the end of each game, it is recommended that at least 1/2 of the team, from each side, switch players.

If the same players, stay on the same team, they can only earn 5 HARP points per 2 week period.

Sheets must be turned in on the LAST day of the two week period. Please leave in the CARD ROOM, on the Activity Director's desk.
