***A little leery about going on adventures by yourself, or would you just like to have some company along the way? This is a great way to go . . . travel as a group, meet new people, and enjoy some time with your new neighbours!***

***Barleen's Arizona Opry*** – For those of you who are not familiar with Barleen's, this is NOT an opera. From classical to country, big band to rock 'n roll (includes Elvis!), musical variety to comedy acts, they've assembled the most impressive range of talent in the business.

***Blue Grass Festival & Pinal County Fair Grounds*** (Jan 2018) - Maybe you're not a headbanger like those hair-whipping metal heads (or maybe you are), but you're just looking for some easy hand-clapping and light foot-tapping. Mosey on over for 2-day bluegrass festival featuring fantastic, easy-going music, delicious local food and a classic car show featuring your old man's choice of wheels. These bluegrass artists hail from all over the country, meaning this lineup is full of diverse, twangy flavor that will never get old while you're here.

***Casa Grande Ruins (or the Great House)*** – Modern-day pseudo-scientists speculate that this was an ancient astronomical observatory, but all that's known for sure is that Casa Grande is a big, brown Indian ruin.

***CACTUS Fly-in Pancake Breakfast @ Airport*** – You'll find those antique airplanes making their way to the Casa Grande Municipal Airport just north of town. Have a pancake breakfast and watch the planes fly in.

***Casino / Bingo*** – Your choice: play Bingo, go try your luck in the Casino or . . . do both!

***Caywood Cotton Farms*** – Farm tours include: an informative presentation; cotton picker demonstration; hayride through our property; picking cotton to keep; door prizes and more!

***Dwarf Car Museum*** - Ernie Adams, originator of the dwarf car, has made a name for himself building Dwarf Race Cars and scaled down replicas of classic cars called Dwarf Car Cruisers. These handmade works of art now have a home in Maricopa, Arizona.

***Goldfield Ghost Town*** - Come and visit Goldfield Ghost Town today! Walk down Main Street, explore the many shops and historic buildings. ***Organ Stop Pizza*** – It's Mighty Wurlitzer has come to be known as the biggest and best in the world as attested to by many of the world's finest theater organists and, more importantly, the hundreds of thousands of patrons who visit each year. There are continuing efforts to make additions and improvements to the organ, endeavoring to fine tune the instrument closer and closer to perfection. Open for luncheon to groups only, see the worlds largest pipe organ and listen to the great variety of music, all while enjoying pizza & salad.

***Rooster Cogburn Ostrich Ranch*** – Joining the ostrich are Miniature Sicilian Donkeys, Nigerian Dwarf Goats, Fallow Deer, Peking Ducks, "The Goat Penthouse" and the "Hole in the Wall Gang" featuring Boar Goats, and the all-time favorite Rainbow Lorikeets.
